New - Interactive CD-ROM Area Guide Available For Metropolitan Cleveland Ohio

PHOENIX August 2006 — Sunray Publications is pleased to announce the availability of its NEW Interactive CD-ROM area guide for the Metropolitan Cleveland Ohio market.

Sunray's multimedia CD-ROM Area Guides harness the latest technology to offer a new dimension of cost-effective, image-enhancing advantages. The CD-ROM format ensures instant access to constantly updated websites while it offers significant savings in postage, warehouse space, and staff time.

Some of the outstanding features of these CD-ROM guides include:

*Eye catching four-color Mailing jacket (included in custom orders)
Attention-grabbing imagery, music, motion, and narrative
No advertising
The latest in unbiased information on key relocation subjects
Internet links to related websites for virtually unlimited data
Friendly but professional presentation according to Fair Housing guidelines
Custom options are available for a distinct corporate image*

This new CD-ROM is the latest addition to an ever growing list of CD-ROM and Printed area guides published by Sunray. Sunray currently publishes Relocation Guides in more than 75 markets across the country. Sunray guides are used by the most respected names in the relocation industry, including 8 of the top 10 brokerages in the United States.

Sunray specializes in producing Relocation related products for its clients, creating everything from its award winning Area Guides, to Relocation Kit Boxes, Folders, Marketing materials and other customized products.

Call or e-mail Peter Conti or Holly Brownstein for pricing information and customization options.

Anchored by the hallmarks of accuracy and quality, and with more than 25 years in business, Sunray Area Guides consistently meet and surpass the expectations of the nation's leading relocation professionals. For more information on Sunray Publications and our complete product portfolio, contact Peter Conti or Holly Brownstein at 800-947-5161 or via E-mail: peter@movinginformation.com, holly@movinginformation.com.
